17.	C	<i>action-to do something</i>
18.	D	<i>of- indicate relationships, possession, or origin</i>

PART 3 (8 marks)

Question	Answer	Justification
19	D	<i>“...still praising him and debating his place in history.”</i>
20	D	<i>“He could run the 100 m in 11 seconds, and with the ball glued to his feet, he moved smoothly.”</i>
21	B	<i>“Other great footballers concentrated on mastering and using the ball as a tool. For him, it felt like the ball was his friend, moving around his feet as if it wanted to be there.”</i>
22	B	<i>On the day before the final, Italy defender Tarcisio Burgnich kept telling himself: “He’s only a human just like me.” - this shows that he underestimated Pelé’s skills.</i>
23	C	<i>“Eighty-two is a good age for the life he lived and better than average for where he came from”</i> This reflects the fans’ perspective that he lived a long and fulfilling life, making it a reason to celebrate rather than mourn.
24	A	<i>However, we spelt the name wrongly but you could still say it was a lightbulb moment.</i>
25	C	<i>“...he was not only an inspiration to footballers, he was also in demand by famous people too...”</i>
26	D	The text highlights the overall impact of Pelé’s career on football, which aligns closely with the primary theme of paying homage and recognizing his broad influence.

PART 4 (6 marks)

Question	Answer	Justification	Question	Answer	Justification
27.	E	<i>Interactive quizzes and games... - the idea of fun learning and further elaboration of example</i>	30.	A	<i>Many jobs today require people to use computers... – describes why technology is important for the future</i>
