**CRIME PREVENTION STRATEGIES**

Inspector Ammar from the Crime Prevention Unit Kuala Terengganu spoke about the issue of burglary in Terengganu's housing areas on Terengganu Comey FM. He pointed out that thefts often occur when homes are empty during \_\_\_\_\_ (21) times, making it easier for thieves to steal \_\_\_\_\_ (22) items. He stressed the need for better security measures to tackle this problem.

To address these issues, he highlighted the effectiveness of \_\_\_\_\_ (23) watch programmes. These programmes encourage the \_\_\_\_\_ (24) to be active in looking out for suspicious activities and reporting them promptly. He also emphasised the importance of community involvement beyond just reporting crimes, suggesting that residents attend \_\_\_\_\_ (25) workshops and share information responsibly.

CCTV cameras, placed strategically in areas like Jalan Merpati, play a crucial role in preventing crimes by deterring criminals and providing \_\_\_\_\_ (26) for police investigations. Apart from using \_\_\_\_\_ (27), Inspector Ammar also gave practical advice on improving home security, such as ensuring doors and windows are locked and being cautious online to avoid \_\_\_\_\_ (28). Furthermore, he highlighted educational initiatives aimed at \_\_\_\_\_ (29) and community centres to educate people in places like Pulau Duyong about safety measures. He concluded by urging listeners to stay \_\_\_\_\_ (30) and work together to build a stronger and safer community in Terengganu.
